Section 1 – Introduction

This directory provides a list of vision providers in BCBSAZ's network. To get detailed information about your vision coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your routine vision services. You may go to any of our network providers listed in this directory.

Please note that some providers may have been added to or removed from our network after this directory was printed. We do not guarantee that each provider is accepting new members.

You must use plan providers to receive your covered routine vision services. If you obtain care from out-of-network vision providers, you will be responsible for the costs.

If you have a medical emergency: Get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You **do not** need to get approval or a referral first from your PCP.

What is covered in the routine vision benefit?

Routine vision services include:

- routine non-medical eye examination (without any medical conditions or symptoms for the purpose of checking vision)
- screening for eye disease
- updating eyeglass or contact lens prescriptions*

**\$25 copay for \$150 eyewear allowance every 2 years through preferred provider only covered under Blue Medicare Advantage Plus Plan.*

For current BCBSAZ Members: To get detailed information about your routine vision coverage, please see the benefits chart in Chapter 4, Section 2.1 of your Evidence of Coverage (EOC).

What is the service area for BCBSAZ?

The counties and parts of counties in our service area are listed below.

- All of Maricopa County
- All of Pima County
- All of Santa Cruz County
- Parts of Pinal County, the following zip codes only:
85117, 85118, 85119, 85120, 85140, 85142, 85143, 85178.

How do you find BCBSAZ providers that serve your area?

In this directory, our network vision providers are categorized by their office location by County and alphabetically by Specialty Type, City and Provider Name. For example, to find a vision provider in the city of Glendale, turn to the "Maricopa County" section, locate the specialty type you want (i.e., optometrist) and look for "Glendale".

If you have questions about BCBSAZ or require assistance in selecting a Vision Provider, please call our Member Services Department at 480-937-0409 or toll-free at 1-800-446-8331, 8:00 a.m. to 8:00 p.m., Monday - Friday from April 1 to September 30; and 7 days a week from October 1 to March 31.
